Alpha Street

This is Alpha St, Blacktown.
There is only one roundabout. Go up the parking
ramp on the roundabout to get to us.

By Car

Westpoint is easily accessed by car from all major road networks including the M2, M4, M7, Richmond Road and Sunnyholt Road. The closest parking is in Westpoint in the Level 4 carpark. Entry is via the express ramp from the Alpha St roundabout. At the top of the ramp you can either turn left into the main parking area or continue straight ahead for accessible parking spaces. Disabled parking spaces are available next to the entrance to Assistive Technology Australia.

Via the M2: Follow signs to Westpoint Shopping Centre, going via Sunnyholt Rd and Newton Rd. When getting close, turn right into Patrick St. There is a bus interchange in the middle here so keep to the left side of this. Drive up to the end of Patrick St, where Westpoint Shopping Centre is located. Alpha St runs alongside the shopping centre. Rather than driving into the parking area, turn right into Alpha St, then left at the roundabout to go up the Express Ramp. This takes you to the Level 4 carpark.

Via the M4: Take the second exit to Blacktown at Reservoir Rd. Turn right onto Reservoir Rd and at Bungaribee Rd, continue straight ahead as Reservoir Rd becomes Balmoral St. Turn right at Alpha St. Drive up Alpha St past the first entrance to the carpark until you get to the roundabout. At the roundabout, turn left and go up the express ramp. This takes you to the Level 4 carpark.
