

## 2020-2021 Training Calendar

### 10165NAT Certificate IV in Assistive Technology Mentoring Course

This course provides the knowledge and skills to perform as an Assistive Technology (AT) Mentor. AT Mentors assist and support people with disabilities and/or carers to make informed choices about their assistive technology and home modification needs. We now offer this course online and provide the same great quality training and outcomes as we do in our face-to-face sessions.

Delivery - Online using Zoom Platform

*System requirements: A stable internet connection. Computer with webcam, speaker and microphone (built-in or plug-in)*
