

2022 enrolment 4 Trainer Calendar for 10909NAT Certificate IV in Assistive Technology Mentoring Course

This course provides the knowledge and skills to perform as an Assistive Technology (AT) Mentor. AT Mentors assist and support people with disabilities and/or carers to make informed choices about their assistive technology and home modification needs. We now offer this course online and provide the same great quality training and outcomes as we do in our face-to-face sessions.

Students are required to access and view two recorded sessions prior to the start of training. Students can review them multiple times during the course of training as needed.

1. Introduction (Cert IV in Assistive Technology Mentoring)
2. Pre-work placement briefing

Delivery - Online using Zoom Platform

System requirements: A stable internet connection. Computer with webcam, speaker and microphone (built-in or plug-in)
